

Doug Grant, K1DG

Doug has been licensed since 1967. Over the years, he has managed to collect plaques for first-place scores in single-op, single-op-assisted, multi-single, multi-2 and multi-multi categories from his own station and numerous host stations. In addition, he was a competitor in six WRTC events, winning one gold and two bronze medals. He is a Director of Contest University and the World Wide Radio Operators Foundation, and was Chairman of the WRTC2014 Organizing Committee. He is the author of Amateur Radio Contesting for Beginners, published by the ARRL.
